

**UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA**

VEGAS SERENO, LLC,

2:10-CV-423 JCM (PAL)

Plaintiff,

V.

PATRICK HIGGINS, et al.,

Defendants.

ORDER

14 Presently before the court is plaintiff Vegas Sereno's motion for attorneys fees. (Doc. #25).
15 To date, no response has been filed.

16 Pursuant to Federal Rule of Civil Procedure 54(d)(2), “[a] claim for attorney’s fees and
17 related nontaxable expenses must be made by motion unless the substantive law requires those fees
18 to be proved at trial as an element of damages.” The motion must contain a brief summary of: the
19 nature of the case; the difficulty of the case; the results obtained and the amount involved; the time
20 and labor required; the novelty and difficulty of the questions involved; the skill requisite to perform
21 the legal service properly; the preclusion of other employment by the attorney due to acceptance of
22 the case; the customary fee; whether the fee is fixed or contingent; the time limitations imposed by
23 the client or the circumstances; the experience, reputation, and ability of the attorney(s); the
24 undesirability of the case, if any; the nature and length of the professional relationship with the
25 client; awards in similar cases; and such other information as the court may direct. LR 54-16.

26 In addition to these requirements, each motion must be accompanied by an affidavit from the
27 attorney responsible for the billings in the case containing the following: authentication of the

1 information in the motion; a statement of the amount usually charged by the firm for costs; a
2 statement setting forth the hourly rates usually charged for similar services; a statement that the bill
3 has been reviewed and edited; and a statement that the fees and costs are reasonable. *Id.*

4 The court finds that the filed motion (doc. #25) and attached affidavit (doc. #25, ex. A) have
5 substantially complied with the requirements of Federal Rule of Civil Procedure 54(d) and Local
6 Rule of Civil Procedure 54-16. Additionally, the court finds that the award of fees and costs
7 comports with the agreement between the parties, memorialized at paragraph fifteen of the
8 promissory note. (Doc. #18).

9 Accordingly,

10 IT IS HEREBY ORDERED, ADJUDGED, AND DECREED that plaintiff's motion for
11 attorney's fees (doc. #25) is GRANTED.

12 DATED January 12, 2011.
